## CONTRACT BETWEEN WATERFALL COLLEGE NPC AND PARENT/S OR OTHER SIGNATORIES

### SECTION 1 – PARENT / LEGAL GUARDIAN / OTHER SIGNATORY – DECLARATION AND CONTRACT OF ENROLMENT

#### GENERAL INDEMNITY

Full Name – FIRST SIGNATORY \_\_\_\_\_

Full Name – SECOND SIGNATORY \_\_\_\_\_

Full Name – CHILD (As per birth certificate) \_\_\_\_\_

I/We declare that the above are the parent/s or legal guardian/s of the Scholar (referred to in this contract as the Child) and are the persons who are signing responsibility for this contract. A signatory, who is not a parent / legal guardian of the above Child, agrees to accept all obligations and responsibilities as laid out in this contract for a parent/guardian and waives any rights to the contrary. The rights and obligations contained in this Contract are binding on every person who signs this Contract and must be carried out in order for the Child to be successfully enrolled and retained at Waterfall College.

#### IMPORTANT NOTICE

By signing or initialling or otherwise entering into this Contract you agree to the terms and conditions contained in this document as well as any terms and conditions contained in the Policies of Waterfall College, which form part of this Contract. If there is any provision in this Contract that you do not fully understand, please ask for an explanation before signing.

This Contract contains clauses which:

1. may limit the risk or liability of Waterfall College or a third party; and/or
2. may create risk or liability for you; and/or
3. may require you to indemnify Waterfall College or a third party; and/or
4. serve as an acknowledgement, by you, of a fact.

The rights you have in this contract are in addition to and do not affect the statutory rights and remedies you have under consumer protection law. In the event of conflict between this contract and consumer protection law, your statutory consumer protection rights will prevail. Nothing in this document is intended to or must be understood to unlawfully restrict, limit or avoid any rights or obligations created for you or Waterfall College in terms of the Consumer Protection Act.

### SECTION 2 – GENERAL OBLIGATIONS OF WATERFALL COLLEGE

- 2.1 The admission and enrolment of learners to Waterfall College is at the discretion of the Principal who may refuse a learner's admission to Waterfall College without giving reasons therefore and may grant temporary or provisional enrolment to Waterfall College subject to such further terms and conditions which the Principal may impose. The Principal may, at his/her sole discretion, cancel enrolment in accordance with the Rules.
- 2.2 For the sake of clarity, this Agreement regulates the enrolment and admission of your Child to Waterfall College and also regulates the relationship between Waterfall College, your Child, yourself and/or a Third Party once your Child is admitted and enrolled with Waterfall College. Subject to clause 2.1, nothing in this Agreement should be interpreted as a representation or warranty made by Waterfall College that your Child will be admitted to and enrolled with Waterfall College.
- 2.3 While your Child remains a pupil of Waterfall College, we undertake to exercise reasonable skill and care in respect of his or her education and welfare. This obligation will apply during school hours and at other times when your Child is permitted to be on School premises or is participating in activities organised by Waterfall College.
- 2.4 We shall monitor your Child's progress at Waterfall College and produce regular written reports. We will advise you if we have any concern about your Child's progress, but we do not undertake to diagnose any learning disability or other condition a formal assessment can be arranged either by you or by Waterfall College at your expense.
- 2.5 The parties take cognisance of the limitations of Waterfall College's physical environment, facilities and resources which limit its ability to provide high quality education to children with special educational needs (whether due to neurological barriers, hearing impairments, visual barriers, physical barriers, behavioural or emotional barriers or any other medically assessed special need). To the extent that, in the reasonable opinion of the Principal, Waterfall

INITIALS:

- 2.6 College cannot, or can no longer, provide adequately for your Child's special educational needs, Waterfall College may not offer enrolment with Waterfall College or may cancel this contract in terms of clause 12.

### SECTION 3 – DISCLAIMERS

- 3.1 You acknowledge that Waterfall College does not take any responsibility for any theft or loss of, or damage or destruction to any property of whatever nature (including School clothing, sporting equipment, books, or any other personal possessions) brought on to Waterfall College premises by your Child, unless Waterfall College or its staff are in physical possession of that property and damage occurs to that property either because –
- 3.1.1 Waterfall College or its staff treated the property as their own; or
  - 3.1.2 Waterfall College or its staff did not exercise the degree of care, diligence and skill that can reasonably be expected of a person responsible for managing property belonging to another person, when handling, safeguarding or using the property
- 3.2 Unless you expressly notify us in writing to the contrary, you consent to your Child participating, under proper supervision, both in and outside Waterfall College, in sports and other activities (including contact sports) which may entail some risk of physical injury, as well to your Child travelling to and participating in School activities and programmes outside Waterfall College. Subject to Waterfall College taking reasonable care to avoid harm and save for any gross negligence on the part of Waterfall College, its employees or agents, Waterfall College is not responsible for loss or damage resulting from such sports, activities or programmes and you indemnify Waterfall College against any claims in that regard.

### SECTION 4 – PARENTS' GENERAL OBLIGATIONS

- 4.1 You will inform Waterfall College in writing, prior to admission and enrolment, of any special educational needs of your Child known to you, of the kind referred to in clause 2.5.
- 4.2 In order to fulfil our obligations, we need your co-operation. Without detracting from any specific obligations contained in this contract, you are required to fulfil your own obligations under these terms and conditions; encourage your Child in his or her studies, and give appropriate support at home, keep Waterfall College informed of matters which affect your Child, maintain a courteous and constructive relationship with School staff and attend meetings and otherwise keep in touch with Waterfall College where your Child's interests require you to do so.
- 4.3 The Principal may in his or her discretion require you to remove or may suspend or expel your Child if your behaviour is in the reasonable opinion of the Principal so unreasonable as to affect or likely affect the progress of your Child or another child (or other children) at Waterfall College or the well-being of Waterfall College staff or to bring Waterfall College into disrepute.
- 4.4 The Principal may, at his/her discretion, require you to remove or may suspend or expel your Child from Waterfall College, if he/she considers that your Child's attendance, progress or behaviour (including behaviour outside school) is seriously unsatisfactory and in the reasonable opinion of the Principal the Child's removal is in Waterfall College's best interests or those of your Child, other children or the wider School community. In this case, you will be asked to remove your Child either immediately and without notice, or at a specified date that is shorter than full term, with or without notice in any form, as is reasonable under the circumstances. Waterfall College will not be required to give you a full term's written notice under these circumstances. Should the Principal exercise this right, your deposit will be forfeited. However, any prepaid fees will be refunded to you.
- 4.5 Waterfall College rules may set out examples of offences likely to be punishable by suspension or expulsion. These examples are not a closed list and a child may be expelled or suspended for offences which are not included in these examples. In particular, the Principal may decide that suspension or expulsion for a lesser offence is justified where there has been previous misbehaviour by the child or the circumstances of the case otherwise justify such action.

### SECTION 5 – REGISTRATION FEE AND ENROLMENT FEE

- 5.1 A non-refundable Registration Fee is payable on submission of this application.
- 5.2 An offer of a place for a Child at Waterfall College is accepted by you signing this contract and paying the non-refundable Enrolment fee.
- 5.3 If, subsequent to entering into this contract, your Child does not take up a place at Waterfall College (save for by reason of death or long term hospitalisation) you will not be refunded the Registration or Enrolment Fee

INITIALS:

## SECTION 6 – PAYMENT OF FEES

- 6.1 You have absolute responsibility for the payment of any Fees applicable to your Child attending Waterfall College. You also acknowledge that Waterfall College Fees are payable in advance on the first day of each month and agree to sign a debit order for the school to process monthly collection of amounts due. If you are unclear about any of your financial obligations, Waterfall College will on request provide a written explanation. Any Fee or other moneys owing by you to Waterfall College not paid on or before the due date may bear interest at the maximum rate of interest for incidental credit prescribed from time to time in terms of the National Credit Act, 2005 ("NCA"), or at such lesser rate as Waterfall College determines from time to time in its sole discretion. Interest not paid to Waterfall College by the last day of the month in respect of which such interest accrues will bear further interest at the same rate. In addition to interest Waterfall College will be entitled to recover from you default administration costs and collection costs, as contemplated in the NCA, including legal costs on the attorney and client scale and collection commission to the extent permitted by the NCA.
- 6.2 Interest will be payable on overdue accounts and should your account be referred to an attorney for collection, you will be liable for default administration costs and collection costs including legal costs on the attorney and client scale and collection commission to the extent permitted by the NCA.

- 6.4 You also acknowledge that if any instalment on account of a fee which is payable is not paid on the due date, the whole balance of the fee outstanding will immediately become due and payable by you. No indulgence or grant of time by Waterfall College will constitute a waiver of its rights under this contract or otherwise
- 6.5 You agree that fees paid in advance will be deposited by Waterfall College and held in accordance with the Consumer Protection Act, but that Waterfall College will be entitled to treat the interest generated from such funds as income.
- 6.6 School fees will be reviewed each year and shall be made available to you before the beginning of term 4, giving you one school term's notice of any increase in the fees. You have a right to cancel this contract without penalty should Waterfall College fees increase to an amount which you no longer wish to pay, provided that you give Waterfall College three months' written notice.

## SECTION 7 – PROTECTION OF PERSONAL INFORMATION

However, Waterfall College cannot be liable for any loss you or your Child is alleged to have suffered resulting from opinions reasonably given, or correct statements of fact contained, in any reference or report given by us and

Should this be the case, Waterfall College may only distribute or otherwise publish the information specified in your consent to the people and for the purpose stated in your written consent.
- 7.3 The provisions of this Clause 7 shall survive the termination of this contract.

## SECTION 11 – PARTIAL INVALIDITY

Each term and condition contained in this agreement is separate from the other terms and conditions in the sense that if any one of such is determined to be illegal and unenforceable, it will simply be disregarded and of no force and effect, but the agreement will otherwise remain valid.

## SECTION 12 – TERMINATION AND CANCELLATION

- 12.1 You have the right to cancel this contract at any time, for any reason, provided you give three months' notice, in writing, of this intention before the withdrawal of the child from Waterfall College. **Failure to provide three months' notice will result in your being legally obliged to pay school fees relevant to the three month period, in lieu of notice.**

## ANTI-PLAGIARISM POLICY

### GENERAL

1. Waterfall College places high value on personal integrity and responsibility. The College thus encourages both staff and students to be fully aware of the areas that constitute plagiarism.
2. Staff and students are encouraged to be responsible users of information and to be accountable for ensuring the delivery of honest work.
3. The Anti-Plagiarism Policy is directed at educating to avoid plagiarism rather than punishing transgressors.

### DEFINITION OF PLAGIARISM

The deliberate or accidental act of passing off someone else's intellectual property as one's own. This might be words, ideas or creations.

*"Plagiarism is not just about stealing someone else's words, but also about stealing ideas." (Rufus King High School, 2008)*

### PLAGIARISM INFRINGEMENTS

Plagiarism has been committed when someone:

1. Paraphrases from a source without proper acknowledgement.
2. Presents or uses the ideas, research findings, opinions, designs or creations of others as original work without acknowledging the creator(s) of the source.
3. Pieces together different pieces of information or ideas to form a whole from electronic sources (cutting and pasting) or from printed sources (copying) without proper acknowledgement.
4. Copies someone's words, ideas, illustrations or electronic files in any format from a source or sources such that very little of the resulting work is original, whether or not credit is given.
5. Copies someone's exact words without quotation marks and proper acknowledgement.
6. Changes words but not the sentence structure of the original without acknowledging the source.
7. Does not provide a list of references.
8. Fabricates data or references.
9. Works on or completes an assignment for someone else, or collaborates with someone else on work that should have been done independently.
10. Obtains an assignment from another person, from a paper mill or from the Internet and submits it as one's own work.

### OBLIGATIONS OF STAFF

1. Present students with a positive example regarding the acknowledgement of intellectual property in the preparation of assignments, tests and notes.
2. Ensure that students understand what constitutes plagiarism.
3. Ensure that students understand the importance of the protection of intellectual property.
4. Equip students with guidelines regarding referencing and the acknowledgement of sources.

### OBLIGATIONS OF STUDENTS

1. Endeavour at all times to be responsible and ethical regarding the delivery of work.
2. Acknowledge all sources consulted in assignments.
3. Be prepared to acknowledge the originality of work, at times with a signature.

### CONCLUSION

The school environment is, by definition, one of exploration and personal development. The Waterfall College Anti-Plagiarism Policy should not be seen as a threat, but rather as a tool to guide good practice, thus enhancing the teaching and learning environment. Transgressions of the policy should thus be dealt with on a case by case basis, in accordance with disciplinary policies.

## DRUG AND ALCOHOL POLICY

### PREAMBLE

1. There can be no doubt that students in South African schools are being targeted as potential drug users, through powerful and highly sophisticated international, national and local drug syndicates.
2. **A student's purchase, sale, use or possession of illegal drugs and the misuse of over-the-counter, prescribed drugs and the consumption of alcohol, is a direct contravention of the rules of the school.**
3. Drug usage affects negatively on a student's ability to learn. All drugs damage the cognitive capability of the user.
4. It is Waterfall College's intention to
  - act decisively against students who take drugs and alcohol
  - act against students who contribute to that pressure
  - assist students to resist that pressure
  - immediately remove drug users, drug dealers or students under the influence of alcohol from the school

### TESTING

1. Random testing will be conducted across all students of susceptible age in a fair and impartial way if the need arises.
2. Should there be reasonable grounds to suspect that a student is involved in drug related behaviour; the school reserve the right to test a specific individual.
3. Should a student test positive for drugs, both the student and the parents will be advised and proposals will be made for their rehabilitation.
4. Disciplinary action will be taken against any student who tests positive for drugs, those students who seek to influence another student to take drugs or supply drugs to any student, or a student who bullies or seeks to influence any student providing information about another student's drug taking or related behaviour.
5. Each case of disciplinary action may lead to expulsion. For all purposes, "drugs" include any drug, the use or possession of which may lead to a conviction under criminal law. **No distinction will be drawn between a student's conduct in or out of school.**
6. Parents are urged to be vigilant with regard to the possibility of their children's drug use, consumption of alcohol and their activities outside of school hours.
